Pay Without Log In

A simple, fast, secure way to make same-day Synchrony credit card payments online, without logging in.

Your time is valuable. So when you need to pay bills, you want to get it done fast, with no fuss, so you can keep working forward to your goals. That's why we created Pay Without Log In — a quick, convenient way to make same-day Synchrony credit card payments online. It's safe, secure and hassle-free. And, after the initial set-up, there's no need to log in or remember yet another password. Use it with any connected device, including smartphones, tablets, laptops and desktops.

Here's how to get started!

{ Step 1: Enable Pay Without Log In. }

Optional: Remember Device

 You may choose to check the box *This is my personal device. Remember me.* for the device you're using.*

- If you choose *Remember me*, you can securely use Pay Without Log In from this device without answering one of your security questions.
- If you choose *Do NOT remember me*, you will be asked to answer one of your security questions in order to use Pay Without Log In.
- Click *Continue*.

* Do not check the “remember” box if you are using a public device.

To use Pay Without Log In with multiple devices, repeat Step 1 from each device. Then continue to Step 2.

{ Step 2: Make a payment using Pay Without Log In. }
